EMPLOYMENT EXPERIENCE

Achim Importing, North Brunswick, NJ

December 2017- Present

Junior Developer

- Worked on the development of an enterprise level SQL Server based application
- Wrote and maintained ad hoc SQL queries on the fly and for future use
- Data validation and data conversion
- Workstation setup, networking and technical infrastructure

Headset Inc., Seattle, WA

August 2016- August 2017

Data Expert

- Linked thousands of products sold in retail locations to an overarching NoSQL database (MongoDB)
- The data was then used to track sales, optimal price points and other marketing analysis
- Ensured accuracy of new products created for the database as to not create duplicates or otherwise clutter the system

Bottle King, Hillsborough, NJ

August 2011- October 2015

Shift Manager/Key Holder

- Acted as store manager in the absence of the store manager
- Oversaw closing routine: Counted cash register drawers, set alarm system, locked the store
- Directed workflow of other associates to ensure all jobs were completed
- Assisted customers and strived for consumer satisfaction

SKILLS

Proficient in Microsoft Office: Word, PowerPoint, Excel

Experience entering invoices

MISCELLANEOUS

- Kappa Sigma Fraternity Brother, Pi Nu Chapter, Delta Class
